

# Barracuda Delisting

## Step 1.

Go to this website [www.barracudacentral.org](http://www.barracudacentral.org) and find "Removal Request" under the BRBL section.

## Step 2.

Fill out the form with the needed information then click "Submit Form"

- Remember to state all the actions made in "Reason for Removal" to prevent spam issue on client's side.

The screenshot shows the 'Barracuda Central Reputation System - Removal Request' form. The form title is 'Barracuda Central Reputation System - Removal Request'. Below the title, there are two bullet points: 'To request adjustment of your IP reputation on the Barracuda Reputation System, please enter your email server's IP address, your email address, phone number and an optional reason for removal below. Please note that the BRBL is generated by automated systems. Requests without valid information will be ignored. Multiple requests will also be ignored.' and 'Removal requests are typically investigated and processed within 12 hours of submission if provided with a valid explanation.' Below the instructions, there is a section titled 'Removal Request (Fields in bold are required.)' with the following fields: 'Email Server IP Address:', 'Email Address:', 'Phone Number:', and 'Reason for Removal:'. Each field has a corresponding input box. At the bottom of the form, there is a 'Submit Request' button.
